

VIE History - Ohio Opens State Unemployment Records to 3rd Parties

An October 1, 2003 memo from Ohio's Douglas J. Holmes, Asst. Deputy Director, Office of Unemployment Compensation, released updated rules regarding unemployment compensation. Section 4141-43-03 - outlines disclosure of wage information to a consumer reporting agency.

ACCESS feels this is a clear violation of the FCRA. This 3rd party disclosure fails to comply with requirements of the FCRA - such as, ability for consumer's to obtain their file annually free of charge and ability to see who all has reviewed this information.
